

Innovative Structural Building Products
Product Offerings and Market Potential

A portfolio of 11 patents in the building/construction industry with multiple product applications

	VentBoard™	DuctBoard™	PlenumPanels™	FastFloor Cassettes™	Frameless Construction	SureSeat Screw™	FootlessForms™
ISBP Products	 <p>VENTBOARD™ Innovative sheathing for roofs and walls with integral ventilation. Able to span 48 inches, reducing framing costs. VentBoard™ eliminates ice dams in northern climates and cools attics in southern climates.</p>	 <p>DUCTBOARD™ An innovative floor sheathing with two plenums that provide supply and return air. DuctBoard™ can span 48 inches, reducing framing costs. Eliminates the need for ductwork and provides superior air distribution and warm floors.</p>	 <p>PLENUMPANEL™ Patented panels for floors and roofs in mass timber construction that save big on material and weight.</p>	 <p>FAST-FLOOR™ The floor cassettes are a more efficient floor system that efficiently combine structure and sheathing in one large panel eliminating the need to build from individual joists and sheets.</p>		 <p>SURE-SEAT™ SCREWS Developed to secure Plenum Panels. Also useful for VentBoard, DuctBoard and competitors products. The screw cuts through the first layer making a washer before securing to the bottom layer.</p>	 <p>FOOTLESS FORMS™ A unique residential concrete forming system that eliminates the need for footings. Footless Forms™ reduces the need to backfill, grade and compact, and takes days off the schedule.</p>
Residential Market Applications	Residential Roof Sheathing Residential Wall Sheathing	Floor Sheathing Ceiling Sheathing	Mass Timber Flooring Mass Timber Roof Panels	Floor Cassettes	Manufactured Homes Residential Construction	VentBoard, DuctBoard, PlenumPanels	
Commercial Market Applications	Roof Sheathing Wall Sheathing	Floor Sheathing Ceiling Sheathing	Mass Timber Offices Mass Timber Schools Mass Timber Hotels Mass Timber Multi-Family	Offices Schools Hotels Multi-Family	Offices Schools Hotels Multi-Family	VentBoard, DuctBoard, PlenumPanels	
Market Segment	Residential/Multi-family, Light Commercial	Residential/Multi-family, Light Commercial	Mass Timber	All Wood Construction	Residential/Multi-family, Manufactured Housing	SureSeat Screw™	FootlessForms™
Product	Light Commercial Roof/Wall Sheathing	Light Commercial Floor/Ceiling Sheathing	Mass Timber Light Weight Mass Timber	All Wood Construction Assembled Floors	Manufactured Housing Whole House - No Framing	SureSeat Screw™	FootlessForms™
Patented Product	VentBoard™	DuctBoard™	PlenumPanels™	FastFloor Cassettes™	Frameless Construction	SureSeat Screw™	FootlessForms™
